

This Partnership Plan is written in consultation with partners and based on data provided by the Lancashire Strategic Assessment 2016 and its corresponding Preston District Local Profile

Violent crime

What the Partnership wants to prioritise

Serious Assault

Accounts for 35% of Harm

Main victim and offender groups aged 20-24 years

Assault with injury

Accounts for 14% of crime in Preston and 5% Harm

What we want to achieve

- A safe place to live and enjoy leisure time
- Reduction in youths associating with gangs

What we do now

Fresher's Week Interventions

Street Pastors

City Safe

CCTV

Intelligence sharing

Safe Zones

Taxi Stewards

Genga

Twilight

Divert

Purple Flag Award

What we will do

- Continue evidence-led good practice
- Educate businesses to be responsible alcohol providers
- Educate young people in associated consequences of alcohol and drug use
- Increase victim support and aftercare
- Reduce the number of crime gangs and the number of people in gangs
- Enhance the effectiveness of city centre CCTV

Domestic Abuse

What the Partnership wants to prioritise

Domestic Abuse

Calls to police higher than the Lancashire average

Children affected

Half of domestic incidents involved children

What we want to achieve

- Better support and aftercare for victims of domestic abuse and their children
- Fewer cases of Domestic Abuse

What we do now

MASH referrals

Sanctuary Scheme

White Ribbon Campaign

MARAC

Intelligence sharing

Lancashire Victim Services

Refuge

You and Me, Mum

NEST

Providers' Forum

What we will do

- *Promote early disclosure of domestic abuse*
- *Develop a forum to identify gaps and strains in service to enhance provision*
- *Increase support for victims*
- *Identify and support children affected by domestic abuse*
- *Promote offender management*

Sexual Offences (including child sexual exploitation)

What the Partnership wants to prioritise

Sexual Assaults

Victims 10-14 years

Rape

Accounts for 30% of harm

Child Sexual Exploitation

Most offenders act alone

What we want to achieve

- Better support and aftercare for victims
- Fewer children exploited sexually

What we do now

City Safe	Purple Flag	MACSE	Taxi Stewarding
Lancashire Victim Services	SARC	Intelligence sharing	Genga Online safety advice

What we will do

- *Educate young people in the safe use of information technology and social media*
- *Deliver 'consent' message campaign*
- *Make businesses aware of safeguarding measures for children and vulnerable adults*
- *Work with specialist providers to promote campaigns locally*
- *Encourage reporting of familial abuse*
- *Raise awareness of risks of going missing to encourage early reporting*

Anti-social Behaviour

What the Partnership wants to prioritise

Noise and neighbours

Accounts for 23% housing ASB issues

Dog Fouling, Fly-tipping

74% of neighbourhoods identified ASB as a priority

What we want to achieve

- Safe and cohesive neighbourhoods
- Improve quality of life for residents and visitors of Preston

What we do now

ASBRAC

MATAC

Divert

Brightspax

Diversionary activities

Nest

Promote responsible dog ownership

Multi-agency approach to legislative powers

Community Trigger

What we will do

- Promote mediation solutions
- Continue support for victims of ASB, particularly through ASBRAC process
- Promote Early Action Initiatives
- Encourage victim participation in the solution
- Learn through case studies
- Encourage engagement with positive programmes

Re-offending

What the Partnership wants to prioritise

Recidivism

Preston has the highest number of caseloads in Lancashire
32% of those on probation re-offend

Offenders with psychiatric problems

11% of offenders in Lancashire reside in Preston

What we want to achieve

- Fewer people offending
- Good support systems for offenders

What we do now

Domestic Abuse Programme

Support financial stability

House in suitable accommodation

Provide access to training and employment

Provide health care

Access substance misuse treatment services

What we will do

- *Increase access to support services*
- *Increase Restorative Justice opportunities*
- *Promote Early Action initiatives*
- *Encourage use of health and treatment services*
- *Provide diversionary activities*
