Before you apply

You are strongly advised to discuss your proposals informally with Russell Rees, Tel No. 906792, and Planning Department staff, Tel No. 906912. You should also consult your neighbours before making your submission. You should seek professional help when attempting to illustrate your proposals.

You will need two types of plans:

Location plan - to show where your proposal is situated in relationship to the surrounding area. You must clearly edge the site boundary in red. The plan should be at a scale of 1:1250, to Ordnance Survey quality. The Development Control Section will supply copies of OS plans for a small charge.

Detailed plan (with elevations) - to show the proposed street cafe and its relationship to existing buildings and features. The plan should be at a scale of 1:100 or 1:200 and the main dimensions should be clearly stated. It should include all the information required by the questions above.

Additional Notes:

Planning Permission- if you propose to alter the existing elevation of your property to enable you to operate the street cafe, Planning Permission may be required. (Form P1)

Listed Building Consent - If your building is included in the list of Buildings of Special Architectural or Historic Interest, and your proposal involves alterations to the building, you may need Listed Building Consent in addition to Planning Permission and to submit an application (form LB1).

Conservation Area Consent - If you propose the alteration of any building and/or part of structure in a conservation area, you may need Conservation Area Consent in addition to Planning Permission and have to submit an application for Conservation Area Consent, form (CA1). Please check with the Planning Department if you are in doubt about any of these aspects. Tel No: 906912.
