Area: No change.

Polling Station: No change.

St Martins Parish Hall has recently been redeveloped. It is a modern open space and is fully accessibility compliant. It is ideally situated within the district for electors to access by car or on foot. There is parking available.

Polling District – GR3

Area: No change.

Polling Station: No change.

The McMullen Centre at Fulwood & Cadley School has disabled access and is the only suitable polling place within the polling district. This is a separate building attached to the school and is used for the polling station. It is well known to electors.

Where we always try to avoid using schools for polling stations there are no other suitable alternatives in this area. We work with the school each year to provide safe access during school hours. There is parking available on site out of school hours and disabled parking is available by request all day via an intercom.
