

COVID SECURE PREMISES

Businesses still have a legal duty to prevent the spread of Covid 19 between their staff and customers.

Do not enter if you have been asked to isolate or have any of the following symptoms:

A new **continuous cough**, **fever**,
new **loss of smell or taste**

If you have any of the above symptoms you must go home and isolate.
You should book a Covid-19 PCR test by going on-line or phoning 119.

Anyone who has been told to isolate because they have tested positive for Covid-19 or have been told to isolate by test and trace because they are a close contact must stay at home, failure to do so is an offence and you could be fined **£1000**.

**Let's keep on protecting each other.
Let's keep life moving.**
