Dear Robert

Thank you for returning my 'call and for confirming that a HRA has not been submitted with application 06/2020/1002.

At present Natural England will be responding with a further information required response requesting a HRA is carried out. However, we are aware that the previous submission (06/2019/0866) documents included a Shadow HRA produced by ERAP Consultant Ecologists Ltd (dated November 2019). If the applicant is willing to update that HRA to reference the current application please forward a copy for our records and provided there are no significant changes we should be able send a no objection response as we did for 06/2019/0866.

I will issue my response CoP today to meet your deadline of 18 October.

Regards,

Helen
